

Arrows Youth Hockey Winter Newsletter

04-05 Season

February 2005

It's hard to believe that we are more than half way through yet another hockey season. All of our players should be proud of our Organizations accomplishments at the Thanksgiving, and Christmas tournaments, as well as our current standings in the Long Island Hockey League. Stats are continually updated and posted on our bulleting board in the lounge of the Rec. as well as available at www.liahl.com. Many thanks to all the coaches, assistant coaches and parents for all their time and hard work!

With the arrival of February, comes our 15th Annual Dollars for Scholars Tournament. The Arrows will be hosting the tournament from February 18th -February 21st. As you may know, a portion of the proceeds of this tournament is donated to the Freeport School System. Many volunteers are needed to make this a well run, well officiated, and fun tournament for the many visiting teams. Please see your GM or Fred Bobb for the many ways that you can help out. A small contribution will be collected at the door during this fundraiser - only players, coaches and children are exempt from the admission fee. Please invite friends and families to join in the fun!!!!!!!

2004/2005 Journal ADS
