Tuition

Second half Tuition payments are now due. Statements will be mailed home over the next few days.

Journal Ads

Journal Ads as Fundraising – it's not too early to sell some journal ads (Ads go in our yearbook). Every member receives a full page in our yearbook with your tuition.

Selling your journal ad page or additional pages helps to reduce the cost of your tuition!

If you do not wish to sell your allotted journal ad page, you can put together a photo of your child and a message to go in the yearbook. It's, a great way to let them know what a great year they had! Do not let your page go to waste, take advantage of the ad space you have been given.

Red Cross Child Safety and CPR

All Coach's & Assistant's will be attending classes given by the American Red Cross for Child safety and CPR. In the event of an on ice emergency, all of our coaching staff will be able to respond appropriately. The attendees of this class will carry a Trained and Certified CPR card.
