

EJEPL POINT SYSTEM

The EJEPL uses the International Point System. Basically, it works like this.

- (3) points for a regulation win
 - (2) points for an OT win...loser gets (1) point
 - (1.5) points for a tie---both teams receive (1.5) points
 - No more shootouts
-

EJEPL OVERTIME

- If the score is tied at the end of regulation, a (1) minute break on the clock.
 - Teams do not change ends in OT
 - The 1st OT will be 4 X 4 for (5) minutes. It will work the same as last year.
 - If the score is still tied at the end of the 1st OT, (1) minute will be put on the clock.
 - Teams will play OT # 2, also (5) minutes, but it will be 3 X 3.
 - If there is a penalty in the 3 X 3 OT, the power play team will play 4 X 3 until the penalty is over. On the first whistle after the penalty, teams will revert back to 3 X 3. If there is a two man advantage the power play team will play 5 on 3 until the first penalty ends. Then it will be 5 X 4 until the first whistler where it will go to 4 X 3 until the 2nd penalty is over, after a whistle it will go to 3 X 3 again.
 - If the score is still tied after the 2nd OT, the game ends in a tie.
 - All penalties carry over from regulation to the OT, and from the 1st OT to the 2nd OT
-
